EPIPHANY SUNDAY

On Epiphany Sunday we bask in the glow of Christ, the light of the world, who brings all the powers of the world to their knees. This week we name the powers of our own modern world that seek to overcome the goodness of God’s creation through sin and death. To counteract this evil in our world, we give glory to God, the one who gave us the Son, who himself leads us in the ways of God’s justice and righteousness.
