Call to Worship

We have come here together as your people.

God, may we feel your presence with us this day.

We see hunger and hurting and disasters around us.

God, may we not just look away from it all.

We hear the anger and discontentment of our neighbours.

God, may we feel your presence with us as we truly listen.

We feel pain, disappointment and sorrow.

God, may we feel your presence with us throughout this day.

You have chosen each one of us for a special purpose ...

each purpose designed especially for us.

Help us this day to share ourselves and gifts with others.

You have shown us how to feed the hungry and bring hope to the hurting.

Help us to share your message of hope with others.

You have built bridges of understanding and torn down walls of hatred.

Help us to understand love more fully and share love with others.

You have healed the broken hearted and have set the prisoner free.

Help us to share this kind of love with others.

Come worship God who unlocks the chains that hold us down,

who calls for compassion and justice for all,

who wants nothing less than love for this whole world,

whose grace and love are endless.
