About the album with **Kelsea McLean**:

Boundless is Sirens' first full-length album. Its tracks tell stories about struggle and the resiliency of the human spirit. Recorded in December 2019, it features works by Canadian composers such as Don MacDonald, Sarah Quartel, Marie-Claire Saindon, and Katerina Gimon, including a newly commissioned work by Gimon called "In Her Image". The CD was recorded by Sirens in the fall of 2019 and was just released on Nov. 13/20. The launch is available to watch until Nov. 27 and includes interviews with the singers and composers. A beautiful video taken in the PEI countryside, features the song "In Her Image". Website to purchase digital copy or actual CD: sirenschoir.com/album.
