On May 2, 37 Palestinian families in East Jerusalem will be evicted from their homes to create room for Israeli settlers. This is part of a larger pattern of colonization of Palestinian territories under Israeli military occupation since 1967, in contravention of International law. Christian leaders in the region urge their brothers and sisters abroad to ask their governments to speak out against this injustice.

Women in Mission have set up **quilts** downstairs for individuals to come and work on. Please follow safety procedures, masking and distancing.

**Thank You** for all the gestures of sympathy. Tromhan & Lois
