Pilgrim's Progress in Mountain Music. May 15

This mostly music program of about 50 minutes takes its cues from the classic "**Pilgrim's Progress**". It follows Christian out of the City of Destruction through to the Celestial City, while picking out the lessons from places like the Slough of Despond and Vanity Fair. All ages will relate to the songs of Joy and Difficulty performed by the Bluegrass group [BJ & Friends](#), whether they've read the book or not. It's an encouragement to keep going.

We're looking for **volunteers for inside cleaning of our church building** for the months of June, July and August. Ike has requested a leave for the summer, as noted in the minutes of the April Executive meeting. Please check out the lime green **sign-up sheet on the lobby bulletin board** and consider where you can help out for all, or a part, of the 3 months. **Thanks.** - Bart, for the executive. Voices Together Worship Leaders' Workshop May 14, 9 a.m.-noon (ET) (on Zoom)

Anneli Loepp Thiessen and Katie Graber will provide background on worship resources in *Voices Together*, and the *Voices Together Worship Leaders' ed.*, highlighting uses in worship as well as the styles, cultures, and eras they represent. They will discuss tools for understanding your community's worship culture in order to make intentional, theologically grounded, and spiritually inspired choices about worship practices that respond to your local contexts and dismantle oppression in your communities. No cost required. For more information, and to register, go to www.bentonchurch.org/voices-together-worship-workshop.
