***Pilgrim's Progress in Mountain Music***

This mostly music program of about 50 minutes takes its cues from the classic "**Pilgrim's Progress**". It follows Christian out of the City of Destruction through to the Celestial City, while picking out the lessons from places like the Slough of Despond and Vanity Fair. All ages will relate to the songs of Joy and Difficulty performed by the Bluegrass group [BJ & Friends](#), whether they've read the book or not. It's an encouragement to keep going.
