Welcome

Call to Worship

As the sun rises in the morning,

As the cool breeze ushers in the evening,

As the heat of the noonday sun spreads across the land:

God is present with us.

As we are witness to the changing colours of the season,
the beauty of the changing skies,

God is present with us.

As we gather together in this place

However glad we are, however out of sorts we are,

God is present with us.

As we greet each other over coffee and cookies,

as we join our voices together in song,

We remember that this is a place where all are welcome.

God is present with us.

God is present with us.

Let us worship God.
