Welcome

Call to Worship

We are called to be a supportive community of faith.

It is here that we are given the opportunity to care for and love each other into being.

It is in community that new possibilities of being the best we have to offer can happen.

In doing so we follow the pattern of God, who constantly accepts us as we are, while inviting us to realize what we could be.

In worship we build the community where fostering of new possibilities can take birth and grow.

We are called to be a supportive community of faith.

Let us join together as a faith community to worship God.
