School Kits

It is the season where school supplies are everywhere and on sale. School kits are MCC’s most requested item given to children who are displaced, providing them with a sense of normalcy.

Bd of Ed would like to collect coins and send the money to MCC where supplies are bought and kits are assembled.

Please place your coins in the cloth school bag on the poster on the back wall in the foyer. Thank you.

“It is important to realize that we are watering the soil, we are not watering the plants. In other words, the main task in gardening is not to control the plants but rather to provide a nurturing environment for the plants so that they have opportunity to grow. It is God who makes things grow.” Mary Beth
