**MCC Connects:** Did you know about 783 million people in the world experience hunger? You can help - MCC invites you to participate in the 7th season of **Grow Hope Saskatchewan**, a collaboration of farmers and non-farmers and five denominations raising funds for emergency food distribution and long-term food sustainability. This year, six farmers have committed a total of 411 acres to grow a crop to support the project. For more info or to help sponsor the input costs on the acres that Dan and Carol Siebert of Main Centre have committed to the project, please visit: <https://www.growhopesk.ca/>.
