**Call to Worship**

We are called to be a supportive community of faith.

**It is here in community that we are given opportunities to care for and love each other into being.**

It is in community that new possibilities of being the best we have to offer can happen.

**In doing so we follow the pattern of God,** who constantly accepts us as we are, while inviting us to realize what we could be.

**In worship we build the community where new possibilities can take birth and grow.**

We are called to be a supportive community of faith, **inviting the Holy Spirit to work in and through us.**

Let us join together as a faith community to worship God.
