Words of Wisdom

It is important to realize that we are watering the soil, we are not watering the plants. In other words, the main task in gardening is not to control the plants but rather to provide a nurturing environment for the plants so that they have opportunity to grow. It is God who makes things grow.

**Next Sunday September 1 - Worship begins at 10:30 am

MCC School Kit Challenge.

It is the season where school supplies are everywhere. School kits are MCC's most requested item given to children in many countries. MCC is putting out a challenge to make 24,000 school kits in August. Bd of Ed would like to collect your coins and send the money to MCC who will buy the supplies for the kits. 1 bag of supplies costs them \$9. **Please place the coins in the cloth school bag or the small bucket** on the small table by the poster on the back wall in the foyer.

Today is the last Sunday to donate. **Thank you** so much for your contributions to date.
