- those grieving the loss of loved ones and those struggling with transition of some kind
- those with sudden health issues
- our Leadership Team / Executive
- Swift Current Ministerial: First United Church
- Mennonite Church Sask **Praying for each other:**
Pray for **Wildwood Mennonite** At Wildwood, we are grateful for the changing seasons and for the community and support that people are finding here. This season has brought different joys and sorrows to our community, and we are finding different ways of caring for one another, especially for several individuals experiencing health challenges and cancer treatments. We are also thinking of different ways to connect with our neighbourhood, which has been our theme for the last few Sundays. We pray for openness and courage to cross the street and cross boundaries to help those in need around us, like Jesus showed and taught us. We also pray for deepening relationships here at Wildwood, particularly as we welcome new people into formal church membership on Nov 30th. As we enter the Advent season, there is much to be grateful for.
- Ukraine / Russia
- a just peace in the Middle East
- MCC at work around the world in the name of Christ
